FOR SALE - 15.1 ID X, RISING 6. GOOD ALL ROUNDER

Incredibly handsome, polite gelding with a willing, trainable temperament. Jumps and moves well. Hacks out. Ridden in snaffle. Good to box, clip & shoe. Ready to be produced on in your chosen sphere. This truly unspoilt horse will give someone a lot of enjoyment and make a life long companion. Blackjack came to us at livery in December 2009. His owner, who is a complete beginner, had brought him in September 2009. Clearly, as a young horse, he should never have been sold to someone of her experience, both in terms of riding and horse knowledge. She kept him out all the time and had some friends help her with riding him and improving her own riding. But quickly saw that she was losing her confidants in dealing with him and riding him. Luckily for him she sort help from us before the situation became difficult. He does his best to understand what she is asking him to do, and has never been naughty with her, but she realises now for her to keep him for her to ride is going to take a lot of time and money. She has decided that the right thing to do by him is to sell him on to someone who can give him some ongoing education and enjoy what he has to offer. Whilst he has been with us he has been ridden by my groom Emma. For a young horse he has a very sensible outlook. Recently we have started to introduce him to a few fences. He has hacked out and been fine with cars on the road. The owner paid £6,000 for him but would be happy to look at any offers, particularly from someone who could offer the right home.

FOR SALE – BLACK LEATHER GFS SADDLE

Black leather GFS saddle in perfect condition. 18" wide fit, this saddle has moveable knee and thigh blocks and can be used equally for jumping or as a GP. I bought this saddle second hand but the first owner only had it for about three months! As it only fits my horse when she is lean and fit, and as she has had a lot of time off over the

HORSE – FREE TO THE RIGHT HOME

Forced to give her up for financial and health reasons. Storm is 14 years old and 16hh. She hasn't been ridden much in past year due to my divorce but I have been long lining on and off. She can jump but hasn't for a while. I used to ride her out alone or in company, she's hunted a few years back with the Surrey Union and she's done some sponsored rides. She would suit someone who wants to do riding club activities as she's a great gymkhana horse!

Storms living out at the mo with no clothes and shoes on, looking very wooly and a bit round. She would also make a good companion and needs a bond, otherwise she'll let everyone know she's on her own! She's good to shoe and clip. She does live out 24/7, rain, shine and snow and weathers really well. She is a very good doer. Does have a Boet rug on from March to October as she's a grey and hypersensitive to sun rays. Good home for Storm essential.
