15hh 9 year old Connemara gelding for share in Frensham.

Maverick is a 9 year old Connemara, with a lovely attitude towards work. He is good on the ground with people (but the odd horse he does not get along with). I am 15 and doing my GCSE's so unfortunately I cannot ride him as much as he needs. He is therefore available during the week term time and by arrangement during the holidays. He is a lovely jumper and a happy hacker that will go past anything without batting an eyelid (he used to go into the drive-thru McDonalds in Blackpool). He comfortably jumps a 2'9" course and I have jumped him over 4 ft. Maverick lives out and the share is offered on the basis of assistance with his feeding/farrier appointments over the winter. If you are interested and want to know more then please contact me, Jemima via the email address: gsexton@btinternet.com (ad posted 11/11/11)

Experienced Sharer wanted - 16.2hh Gelding

My horse is based in Churt/Frensham and I am looking for a sharer to ride around twice a week ASAP. He is a beautiful 16.2hh bright bay gelding, ex SJ champ, 10 yo – was retired early and I use him just for hacking. He is very loving, gorgeous temperament, well behaved alone or with other horses.

I am looking for someone reliable, experienced and who will appreciate the type of horse he is – Preferable riding days are during the week, daytimes – totally flexible here but some weekends would be fine also, we can alternate. Yard is close to some amazing hacking, woodland, commons, lanes, also has an arena, he is on livery so you would be expected to groom and ride only. Monthly financial Contribution.

Experienced Sharer wanted - 15.1hh Gelding

My horse is based in Churt/Frensham and I am looking for a sharer to ride 2-3 times a week ASAP. Ted is a fun but gentle coloured Irish gelding, 7 yrs old. He has a great temperament and is well behaved alone or with other horses. He can still have some green moments (very occasionally) so not suitable for real novice. I am looking for someone reliable, experienced and who wants to just hack (please no bombing around!) in the gorgeous local countryside or school on the flat. Ingrid teaches at our yard so she could offer lessons. Preferable riding days are during the week, daytimes – flexible here but some weekends could be available.

More riding could be available during school holidays if I am away.
Yard is close to some amazing hacking, woodland, commons, lanes, also has an arena.
He is on grass livery so you would be expected to help with poo picking or make a greater financial contribution and just groom and ride.
Monthly financial Contribution, please email for more info, please contact Kate on (07900267726) or email kategodeseth@hotmail.co.uk

Share wanted

Reliable, female rider seeks sensible horse (14.3 - 16hh for 5ft 4 10stone) for gentle hacks in Farnham, Frensham, Churt, Docketfield area. Particularly interested in Churt/Headley Down area. Needs to be a confidence giver. Forward going, sane plods welcome! Also older (been there done that) horses preferred. Although I am very experienced (20yrs plus) I am quite rusty. I have ridden at affiliated elementary dressage and would be keen to practice my old skills if you have a school. I will ride your horse according to your wishes (mindful of ground conditions etc) and I will take every care of their needs. Would prefer to have a situation where I could hack out with others but would be good if the horse could hack out alone as well. Could do evenings during the summer, any 2 week days with possibility of 1 day at the weekend. During the winter, dependent upon the location, I could probably ride in the morning before going to work. Can do some stable duties in return (again very reliable) although may be possible to contribute financially. Please phone or text Susan : 07980 342117.
