NOTES:

- **Area Qualifiers** are open to BRC club members in Area 11. However, you/your horse must comply with eligibility rules for that competition (some Novice level competitions are restricted to not allow BSJA, BE points and/or membership)
- **Flu Certificates** - the BRC Rules are very strict about flu vaccinations – see the link to the BRC Rules on flu vac. For Team events, your horse requires a valid flu certificate
- **Horse Passports** – please note that your horse passport cannot replace the flu certificate. If your horse has had a separate flu certificate, then you cannot assume having a new passport will replace it, as the passport will not show previous injections. Ask your vet to continue to stamp your horse's flu certificate as well as recording new vaccinations in the passport. While it is the flu certificate that is required for team events, you will need to also take the passport if transporting your horse.
