#### TEAM ELIGIBILITY - FLU CERTIFICATES \*IMPORTANT\*

Please note that for the BRC National Championship qualifiers, your horse must have a valid flu certificate which means that the dates of vaccinations must comply with the following:

- Horse must have had its first two vaccinations at least.
- The second vaccination must have been given between 21 and 92 days after the first one.
- There must be a third vaccination given between 150 and 215 days after the second one.
- Thereafter, the horse must have had booster vaccinations at intervals not exceeding one year (12 months).
- The horse **must not** have been vaccinated **within the 7 days preceding** the competition.

If there has been a gap/lapse in meeting the above timings for the injections, even if many years ago. Unless, you have your flu injections re-started and meet the above rules, you will be ineligible to represent the Club at Area team competitions – qualifiers and also to compete at the Championship events.

#### \* \* \* TRRC CLINICS & TRAINING SESSIONS \* \* \*

All clinics and training session are subject to ground and weather conditions. Please check with the named Club contact and on the TRRC website for updates on any cancellations.

Please book your place on all flatwork/jumping clinics and X-country training sessions **A MINIMUM OF 3 DAYS IN ADVANCE**. This is so we can run these events smoothly, plan split groups/timings in advance and ensure you all get maximum benefit from each training event.
